

# eSponsorship Application & Training

## Resources

The resources on this page will assist you in the implementation of the Sponsorship Program. If you have any questions or need further assistance, please contact your service Relocation Assistance Program point of contact or, in the Marine Corps, the Information and Referral Program point of contact.

[eSponsorship Application & Training](#) — My Training Hub hosts the eSponsorship Application & Training. Sponsors can access it using their Common Access Cards, or CACs.

[eSponsorship Application & Training Tips](#) — These tips let sponsors know what they can expect from the eSponsorship Application & Training.

[eSponsorship Application & Training Reports Guide](#) — This guide details how relocation personnel and leaders can access eSponsorship Application & Training reports in DIMS.

[eSponsorship Application & Training Tools](#) — The Sponsorship Checklist and other sponsorship tools are accessible through the eSponsorship Application & Training in My Training Hub. These tools can assist sponsors as they perform their sponsorship duties.

[eSponsorship Application & Training brochure](#) — Print and use this brochure as a way to help educate service members about the features and benefits of the program.

[eSponsorship Fliers](#) — These can be very useful in communicating information about the program to the units on your installation.

[eSponsorship Application & Training Frequently Asked Questions](#) — Find answers to commonly asked questions about the course.

[My Training Hub](#) — Sponsors and their families can access the eSponsorship Application & Training through My Training Hub. Family members without a Common Access Card, or CAC, can access My Training Hub with an email address and password. The Sponsorship Awareness for Families offers the same information and resources as the CAC-enabled version.

[Relocation Assistance Program Management Tools](#) — Download and print these tools to help you manage and promote your relocation program.
